Thank you so much for downloading one of our free CeciBee press templates.

If you have any questions or need any help at all, don't hesitate to contact us at hello@cecibeeepress.com or send us a convo via our Etsy shop.

- In order to dig in, get creative and edit the template to boost your biz, you're gonna need a **FREE** Canva account. If you don't have one yet, simply click on your template link below to get started.
- If you're new to Canva, don't worry...it's easy and fun to make the templates your own! [Click here for a quick video tutorial!](#)

 **Remember:** The downloaded pdf file must first be opened on a laptop or desktop. You can then edit your template on either a laptop, desktop or the canva app on your phone. We do suggest editing on a computer.

Guess what?!

One of the single most effective strategies for a successful business image is authenticity; making your own visual mark. Our templates are intended to help you do just that. Keep in mind that we work hard to design each one to offer a variety of products to boost your biz! So just a friendly fyi, please don't copy our work and sell it as is. It's not nice.

Thank you!
